Reviewer's report

Title: c-MYC expression sensitizes medulloblastoma cells to radio- and chemotherapy and has no impact on response in medulloblastoma patients

Version: 3 Date: 13 January 2011

Reviewer: Karel Zitterbart

Reviewer's report:

In response to the reviewer's comments, the authors have made reasonable changes in their re-submitted manuscript and answered the concerns. Therefore, the revised manuscript is acceptable for the publication.

Level of interest: An article whose findings are important to those with closely related research interests

Quality of written English: Acceptable

Statistical review: Yes, but I do not feel adequately qualified to assess the statistics.
