Reviewer's report

**Title:** Is there a role for the quantification of RRM1 and ERCC1 expression in Pancreatic Ductal Adenocarcinoma?

**Version:** 2  **Date:** 3 January 2012

**Reviewer:** Thomas Brunner

**Reviewer's report:**

The authors have addressed the reviewer's comments as good as possible within the nature of this retrospective study. The conclusions and the discussion now better reflect the limitations of such a report and therefore this manuscript is recommended for acceptance.

**Level of interest:** An article of importance in its field

**Quality of written English:** Acceptable

**Statistical review:** No, the manuscript does not need to be seen by a statistician.

**Declaration of competing interests:**

I declare that I have no competing interests.
