Reviewer's report

**Title:** A mouse model for triple-negative breast cancer tumor-initiating cells (TNBC-TICs) exhibits similar aggressive phenotype to the human disease

**Version:** 4  **Date:** 12 January 2012

**Reviewer:** Jin-Qiang Chen

**Reviewer's report:**

I have read through the revised manuscript and found that the authors have addressed well the reviewer's comments/critiques and the manuscript has been improved. It could be acceptable for publication.
