Reviewer's report

Title: Space-time clustering of childhood central nervous system tumours in Yorkshire, UK

Version: 2 Date: 15 December 2011

Reviewer: Faith G Davis

Reviewer's report:

This manuscript has been revised with careful consideration of the reviewers comments. I now consider it to be a solid contribution to the brain tumor epidemiology literature and its written is such a fashion as to be interpretable by the general reader in the context of the current literature.

Level of interest: An article of importance in its field

Quality of written English: Acceptable

Statistical review: No, the manuscript does not need to be seen by a statistician.
