Reviewer's report

Title: Validation of podocalyxin-like protein as a biomarker of poor prognosis in colorectal cancer

Version: 2 Date: 27 May 2012

Reviewer: Dermot Leahy

Reviewer's report:

The authors have answered all my comments to my satisfaction in their revised manuscript.

(There is a spelling error in the sixth paragraph of the Discussion. In the last line, "reveled" should be "revealed".

Level of interest: An article whose findings are important to those with closely related research interests

Quality of written English: Acceptable

Statistical review: No, the manuscript does not need to be seen by a statistician.

Declaration of competing interests:

I declare that I have no competing interests.
