Reviewer's report

Title: Beyond KRAS mutation status: influence of KRAS copy number status and microRNAs on clinical outcome to cetuximab in metastatic colorectal cancer patients

Version: 2 Date: 26 March 2012

Reviewer: Peter M Wilson

Reviewer's report:

The authors have been responsive to the reviewer commentary and been diligent with their amendments to the manuscript. Where the authors chose not to make an amendment or add to the manuscript, acceptable justification is provided. The manuscript in its current form should be considered further for publication.

Level of interest: An article of importance in its field

Quality of written English: Acceptable

Statistical review: No, the manuscript does not need to be seen by a statistician.

Declaration of competing interests:
