Reviewer's report

Title: Yoga for patients with breast cancer: a systematic review and meta-analysis

Version: 1 Date: 8 May 2012

Reviewer: Jau-Yih Tsauo

Reviewer's report:

I think this is a thorough review and was written in a comprehensive manner. Just minor essential revisions should be made.

1. English writing should be checked to make the manuscript more clear.
2. Please follow the author’s instruction of this journal about the format of the tables.
3. Table 3 and Figure 4 Provide the same information, I suggest removing Figure 4.

Level of interest: An article whose findings are important to those with closely related research interests

Quality of written English: Needs some language corrections before being published

Statistical review: No, the manuscript does not need to be seen by a statistician.

Declaration of competing interests:
