Reviewer’s report

Title: A rare case of primary clear cell sarcoma of the pubic bone resembling small round cell tumor: an unusual morphological variant

Version: 3 Date: 5 September 2012

Reviewer: Russell Gollard

Reviewer's report:

Discretionary revision: the one thing they should say is that this tumor is so rare that there are no "standard regimens."

Level of interest: An article of importance in its field

Quality of written English: Acceptable

Statistical review: No, the manuscript does not need to be seen by a statistician.
