Reviewer’s report

Title: Epigenetic regulation of L1CAM in endometrial carcinoma: comparison to cancer-testis (CT-X) antigens

Version: 2 Date: 1 December 2012

Reviewer: Prakash Kulkarni

Reviewer’s report:

Discretionary revisions:

Typos and presentation errors should be checked. For example, on page #12, the new paragraph Methylation of the L1CAM promoter in EC tumor tissues, begins with the sentence "it is quite known that the methylation...

The lower case is a typo but the sentence could be rephrased to read, "It is now well known that..."

Level of interest: An article whose findings are important to those with closely related research interests

Quality of written English: Acceptable

Statistical review: No, the manuscript does not need to be seen by a statistician.

Declaration of competing interests:
