Reviewer's report

Title: Resistance to growth inhibition by TGF-beta is associated with a partial loss of Smad signaling in the absence of alterations of Smad protein levels during in vitro progression of HPV16-immortalized human keratinocytes

Version: 2 Date: 16 July 2013

Reviewer: Shirin Bonni

Reviewer's report:

The points raised previously by this reviewer have been adequately addressed by the authors.

Level of interest: An article of limited interest

Quality of written English: Acceptable

Statistical review: No, the manuscript does not need to be seen by a statistician.

Declaration of competing interests:
