Reviewer's report

Title: Resistance to growth inhibition by TGF-beta is associated with a partial loss of Smad signaling in the absence of alterations of Smad protein levels during in vitro progression of HPV16-immortalized human keratinocytes

Version: 2 Date: 16 July 2013

Reviewer: Craig D Woodworth

Reviewer's report:

The authors have addressed each of this reviewer's original concerns

Level of interest: An article of importance in its field

Quality of written English: Acceptable

Statistical review: No, the manuscript does not need to be seen by a statistician.
