Reviewer's report

Title: Synergistic growth inhibition by acyclic retinoid and phosphatidylinositol 3-kinase inhibitor in human hepatoma cells

Version: 2 Date: 27 September 2013

Reviewer: Carmen Blanco-Aparicio

Reviewer's report:

The authors of the study entitled “Synergistic growth inhibition by acyclic retinoid and phosphatidylinositol 3-kinase inhibitor in human hepatoma cells” have addressed and answered properly all may minor revision points. Then, from my point of view could be accepted.

Level of interest: An article of importance in its field

Quality of written English: Acceptable

Statistical review: No, the manuscript does not need to be seen by a statistician.
