Reviewer's report

Title: FELD better, not thinking of metastases only when liver lesions appear after bleomycin-based treatment for non-seminoma testis from metastases

Version: 2 Date: 3 September 2013

Reviewer: Mutahir Tunio

Reviewer's report:

It is much improved now
only i have one comment
Title still confusing!. better not to use abbreviations in the tile

Level of interest: An article of importance in its field
