Reviewer's report

Title: The association of TP53 mutations with the resistance of colorectal carcinoma to the insulin-like growth factor-1 receptor inhibitor picropodophyllin

Version: 2 Date: 18 August 2013

Reviewer: Leonard Girnita

Reviewer's report:

The manuscript is considerably improved. There are still some spelling errors, the authors can be trusted to correct them.

Level of interest: An article of importance in its field

Quality of written English: Needs some language corrections before being published

Statistical review: No, the manuscript does not need to be seen by a statistician.
