Reviewer's report

Title: Delay factors in the diagnosis and treatment of symptomatic colorectal cancer

Version: 2 Date: 13 October 2012

Reviewer: Una Macleod

Reviewer's report:

I am satisfied that the authors have addressed my original concerns with this paper and so recommend publication.

Minor point - note typo in first paragraph of Background – should be Walter et al (not Walker et al)

Level of interest: An article of importance in its field

Quality of written English: Acceptable

Statistical review: Yes, but I do not feel adequately qualified to assess the statistics.

Declaration of competing interests:

I declare that I have no competing interests
