Reviewer's report

Title: Can we accurately report PTEN status in advanced colorectal cancer?

Version: 2 Date: 31 October 2013

Reviewer: Francesca Negri

Reviewer's report:

I've read the paper and I've find it interesting. The methods are well-written and correctly performed, so I do not have any particular observations to make.

Level of interest: An article whose findings are important to those with closely related research interests

Quality of written English: Acceptable

Statistical review: No, the manuscript does not need to be seen by a statistician.

Declaration of competing interests:

I declare that I have no competing interests.
