Reviewer’s report

Title: Histological Review of Skin Cancers in African Albinos: A 10-year Retrospective Review

Version: 2 Date: 17 November 2013

Reviewer: Miguel R Sanchez

Reviewer’s report:

Readers would appreciate separating the information about BCC and SCC (location, ulceration) in the table that the authors already started rather than lumping the data together.

Level of interest: An article whose findings are important to those with closely related research interests

Quality of written English: Acceptable

Statistical review: No, the manuscript does not need to be seen by a statistician.

Declaration of competing interests:

I have no competing interests
