Reviewer's report

Title: E-cadherin loss alters cytoskeletal organization and adhesion in non-malignant breast cells but is insufficient to induce an epithelial-mesenchymal transition

Version: 1 Date: 6 May 2014

Reviewer: Elizabeth Wattenberg

Reviewer's report:

This is a well written descriptive report that is based on sound methodology. No changes are recommended.

Level of interest: An article whose findings are important to those with closely related research interests

Quality of written English: Acceptable

Statistical review: No, the manuscript does not need to be seen by a statistician.

Declaration of competing interests:

I declare I have no competing interests.
