Reviewer's report

Title: The effects of psychological interventions on depression and anxiety among Chinese adults with cancer: a meta-analysis of randomized controlled studies

Version: 1 Date: 30 September 2014

Reviewer: Rosangela Caruso

Reviewer's report:

Minor Essential Revision: the text needs a general language check.

Level of interest: An article of outstanding merit and interest in its field

Quality of written English: Needs some language corrections before being published

Statistical review: Yes, but I do not feel adequately qualified to assess the statistics.
