Reviewer's report

Title: Sentinel node biopsy for breast cancer: is it already a standard of care? A survey of current practice in an italian region

Version: 2 Date: 12 December 2003

Reviewer: H Cody

Reviewer's report:

General. The authors' responses are fine; OK to proceed with publication.

Discretionary Revisions (which the author can choose to ignore)

Minor Essential Revisions (such as missing labels on figures, or the wrong use of a term, which the author can be trusted to correct)

Major Compulsory Revisions (that the author must respond to before a decision on publication can be reached)

What next?: Accept without revision

Level of interest: An article whose findings are important to those with closely related research interests

Quality of written English: Acceptable

Statistical review: No

Declaration of competing interests:

None
