Reviewer's report

Title: Cytokine and Immunoglobulin Production by PWM-stimulated Peripheral and Tumor-Infiltrating Lymphocytes of Undifferentiated Nasopharyngeal Carcinoma (NPC) Patients

Version: 2 Date: 29 August 2004

Reviewer: Gerald Niedobitek

Reviewer's report:

General

--------------------------------------------------------------------------------------------------------------------------

Major Compulsory Revisions (that the author must respond to before a decision on publication can be reached)

--------------------------------------------------------------------------------------------------------------------------

Minor Essential Revisions (such as missing labels on figures, or the wrong use of a term, which the author can be trusted to correct)

--------------------------------------------------------------------------------------------------------------------------

Discretionary Revisions (which the author can choose to ignore)

--------------------------------------------------------------------------------------------------------------------------

What next?: Accept without revision

Level of interest: An article whose findings are important to those with closely related research interests

Quality of written English: Acceptable

Statistical review: No

Declaration of competing interests:

None
