Reviewer's report

Title: Atypical Presentation of Hepatocellular Carcinoma: A Mass on the Left Thoracal Wall

Version: 2 Date: 20 September 2004

Reviewer: Shivaani Kummar

Reviewer's report:

General
No additional comments. The authors have addressed the initial comments.

Major Compulsory Revisions (that the author must respond to before a decision on publication can be reached)

--None----------------------------------

Minor Essential Revisions (such as missing labels on figures, or the wrong use of a term, which the author can be trusted to correct)
Recommend some editing for English.

Discretionary Revisions (which the author can choose to ignore)
None

What next?: Accept after minor essential revisions

Level of interest: An article whose findings are important to those with closely related research interests

Quality of written English: Needs some language corrections before being published

Statistical review: No

Declaration of competing interests:
None
