Reviewer’s report

Title: Survivin expression and its clinical significance in pancreatic cancer

Version: 4 Date: 30 August 2005

Reviewer: yoshinori nio

Reviewer’s report:

General
The explanation of the authors against my comments is understandable, and I accepted it.
-------------------------------------------------------------------------------

Major Compulsory Revisions (that the author must respond to before a decision on publication can be reached)
-------------------------------------------------------------------------------

Minor Essential Revisions (such as missing labels on figures, or the wrong use of a term, which the author can be trusted to correct)
-------------------------------------------------------------------------------

Discretionary Revisions (which the author can choose to ignore)

What next?: Accept without revision

Level of interest: An article whose findings are important to those with closely related research interests

Quality of written English: Acceptable

Statistical review: No

Declaration of competing interests:
I declare that I have no competing interests.
