Reviewer's report

Title: Mismatch repair and treatment resistance in ovarian cancer

Version: 2 Date: 5 June 2006

Reviewer: Trinidad Caldes Llopis

Reviewer's report:

General
I´m satisfied with the reply from the authors and with the modifications in the manuscript

-------------------------------------------------------------------------------

Major Compulsory Revisions (that the author must respond to before a decision on publication can be reached)

-------------------------------------------------------------------------------

Minor Essential Revisions (such as missing labels on figures, or the wrong use of a term, which the author can be trusted to correct)

-------------------------------------------------------------------------------

Discretionary Revisions (which the author can choose to ignore)

-------------------------------------------------------------------------------

What next?: Accept without revision
