Reviewer's report

Title: GenexGene interaction between MnSOD and GPX-1 and breast cancer risk: a nested case-control study

Version: 2 Date: 18 August 2006

Reviewer: Jenny Chang-Claude

Reviewer's report:

General

The revised manuscript has satisfactorily taken into account previous comments from the reviewer.

------------------------------------------------------------------------
Major Compulsory Revisions (that the author must respond to before a decision on publication can be reached)

------------------------------------------------------------------------
Minor Essential Revisions (such as missing labels on figures, or the wrong use of a term, which the author can be trusted to correct)

------------------------------------------------------------------------
Discretionary Revisions (which the author can choose to ignore)

What next?: Accept without revision

Level of interest: An article of importance in its field

Quality of written English: Acceptable

Statistical review: No
