**Reviewer's report**

**Title:** Smad4-expression is decreased in breast cancer tissues: a retrospective study

**Version:** 2  **Date:** 3 January 2006

**Reviewer:** ALFONSO DUENAS-GONZALEZ

**Reviewer's report:**

**General**

Authors have satisfactorily addressed the changes and/or observations suggested.

-----------------------------------------------------------------------------------------------

**Major Compulsory Revisions** (that the author must respond to before a decision on publication can be reached)

-----------------------------------------------------------------------------------------------

**Minor Essential Revisions** (such as missing labels on figures, or the wrong use of a term, which the author can be trusted to correct)

-----------------------------------------------------------------------------------------------

**Discretionary Revisions** (which the author can choose to ignore)

-----------------------------------------------------------------------------------------------

**What next?:** Accept without revision

**Level of interest:** An article whose findings are important to those with closely related research interests

**Quality of written English:** Acceptable

**Statistical review:** No

**Declaration of competing interests:**
