Reviewer’s report

Title: Down-regulation of SFRP1 as a putative tumor suppressor gene can contribute to human hepatocellular carcinoma

Version: 2  Date: 7 May 2007

Reviewer: Raphael SAFFROY

Reviewer’s report:

The authors have correctly responded to my recommendations and satisfying corrections have been performed in the manuscript.

What next?: Accept without revision

Level of interest: An article whose findings are important to those with closely related research interests

Quality of written English: Acceptable

Statistical review: No, the manuscript does not need to be seen by a statistician.

Declaration of competing interests:

I declare that I have no competing interests
