Reviewer's report

Title: Bcl11b mutations identified in murine lymphomas increase the proliferation rate of hematopoietic progenitor cells

Version: 3 Date: 22 June 2007

Reviewer: Grzegorz K. K Przybylski

Reviewer's report:

The authors addressed the reviewer's comments and the paper is now suitable for publication in BMC.

Major Compulsory Revisions (that the author must respond to before a decision on publication can be reached)

Minor Essential Revisions (such as missing labels on figures, or the wrong use of a term, which the author can be trusted to correct)

Discretionary Revisions (which the author can choose to ignore)

What next?: Accept without revision

Quality of written English: Acceptable

Statistical review: No, the manuscript does not need to be seen by a statistician.
