Reviewer's report

Title: Comparative actions of progesterone, medroxyprogesterone acetate, drospirenone and nestorone on breast cancer cell migration and invasion

Version: 6 Date: 18 April 2008

Reviewer: Mariana Salatino

Reviewer's report:

All the requirements were completed as expected, thus the manuscript was greatly improved.

Minor Essential Revisions

In the result section (page 9) the label of figure 5 (A, B, C) is not correct, it should be 6 (A, B, E).

Level of interest: An article whose findings are important to those with closely related research interests

Quality of written English: Acceptable

Statistical review: No, the manuscript does not need to be seen by a statistician.

Declaration of competing interests:
