Reviewer's report

Title: A haplotype variation affecting the mitochondrial transportation of hMYH protein could be a risk factor for colorectal cancer in Chinese

Version: 3 Date: 26 August 2008

Reviewer: Pavel Vodicka

Reviewer's report:

The manuscript has been improved and adjusted as suggested and appears to be suitable for publication.

There are few editorial points for correction: Last line in Abstract: remove "in" and leave only including; Page 4: ...showed tentative association instead of "little"; Page 13: separate "samplesize".

Level of interest: An article of importance in its field

Quality of written English: Acceptable

Statistical review: No, the manuscript does not need to be seen by a statistician.

Declaration of competing interests:

I declare that I have no competing interests.
