Reviewer's report

Title: Nestin expression in osteosarcomas and derivation of nestin/CD133 positive osteosarcoma cell lines.

Version: 2 Date: 29 August 2008

Reviewer: Andy Peng Xiang

Reviewer's report:

The authors detect the nestin expression as a tumor marker on the osteosarcoma samples. In response to the reviewer's comments, in their resubmitted manuscript the authors have made reasonable changes and answered the concerns. Therefore, the revised manuscript is acceptable for publication.

Level of interest: An article of importance in its field

Quality of written English: Acceptable

Statistical review: No, the manuscript does not need to be seen by a statistician.
