Reviewer's report

Title: Down-regulation of GRP78 is associated with the sensitivity of chemotherapy to VP-16 in small cell lung cancer NCI-H446 cells

Version: 2 Date: 24 September 2008

Reviewer: Kim Janda

Reviewer's report:

Needs minor revision, written english still poor. Manuscript contains too many typos.

Level of interest: An article whose findings are important to those with closely related research interests

Quality of written English: Needs some language corrections before being published

Statistical review: No, the manuscript does not need to be seen by a statistician.
