Reviewer’s report

Title: The epidemiology and survival of extrapulmonary small cell carcinoma in South East England, 1970-2004

Version: 3 Date: 4 June 2009

Reviewer: Mark Mccarthy

Reviewer's report:

The authors have responded fully to the points raised, and I am pleased that he paper can now be published.
I hope the authors will send a copy to the SEER authors mentioned before, so that at least they can join the literatures together across the Atlantic.

Level of interest: An article of importance in its field

Quality of written English: Acceptable

Statistical review: No, the manuscript does not need to be seen by a statistician.

Declaration of competing interests:

I declare that I have not competing interests.
