Reviewer's report

Title: Gene expression down-regulation in prostate tumor-associated stromal cells involves organ-specific genes

Version: 3 Date: 29 July 2009

Reviewer: audrey player

Reviewer's report:

thank you to the authors for taking time/effort to revise the manuscript. interesting and very informative approach.

final note- is there reason to believe that CD90 population exist within the "non-cancer" (as might be observed via IHC, ISH, etc...). individual cells within normal.

Level of interest: An article of importance in its field

Quality of written English: Acceptable

Statistical review: No, the manuscript does not need to be seen by a statistician.
