Reviewer’s report

Title: Overexpression of human sperm protein 17 increases migration and decreases the chemosensitivity of human epithelial ovarian cancer cells

Version: 5 Date: 28 August 2009

Reviewer: Massimo Brogini

Reviewer's report:

The authors have now answered to the majority of the comments adequately.

Level of interest: An article whose findings are important to those with closely related research interests

Quality of written English: Acceptable

Statistical review: Yes, but I do not feel adequately qualified to assess the statistics.

Declaration of competing interests:

I declare that I have no competing interest
