Reviewer's report

Title: Prevalence of infectious keratitis in Central China

Version: 3 Date: 24 March 2014

Reviewer: Maryam Ferdousi

Reviewer's report:

The authors have answered my points sufficiently well to allow their manuscript to be published.

Level of interest: An article of outstanding merit and interest in its field

Quality of written English: Needs some language corrections before being published

Statistical review: No, the manuscript does not need to be seen by a statistician.

Declaration of competing interests:

I declare that I have no competing interests
