Reviewer's report

Title: Pattern of childhood Ocular Morbidity in Rural Eye Hospital, Central Ethiopia

Version: 5  Date: 14 March 2014

Reviewer: Phillipa Cumberland

Reviewer's report:

The author has now fully addressed the reviewers' comments and the paper is much improved.

There remain a few Minor Essential revisions to address.

Minor Essential revisions

1. Methods paragraph 1; add year of study
2. Methods paragraph 3: ....experienced optometrist underwent .......
   should read ....experienced optometrist undertook .......
3. Table 1: Table 1 is not cited in the text
4. Table 3: abbreviations should be spelled out in full in a footnote, as for Table 2.
5. Discussion paragraph 6: SAEF should read SAFE

Level of interest: An article whose findings are important to those with closely related research interests

Quality of written English: Acceptable

Statistical review: Yes, and I have assessed the statistics in my report.

Declaration of competing interests:
