Title: Impact of Epiphora on Vision-Related Quality of Life

Version: 4 Date: 15 September 2014

Reviewer: Qihua Le

Reviewer’s report:

I recommend a "Major Compulsory Revisions" because the authors should address the following issues before the publication of the manuscript.

Level of interest: An article whose findings are important to those with closely related research interests

Quality of written English: Needs some language corrections before being published

Statistical review: Yes, but I do not feel adequately qualified to assess the statistics.

Declaration of competing interests:

I declare that I have no competing interests.
