Reviewer's report

Title: Longitudinal study on visual outcome and spectacle use after intracapsular cataract extraction in Northern India

Authors:
- Sanjeev Gupta (namrata@hotmail.com)
- Gvs Murthy (namrata@hotmail.com)
- Namrata Sharma (namrata@hotmail.com)

Version: 3 Date: 11 Apr 2003

Reviewer: Richard R Wormald

Level of interest: A paper of limited interest

Advice on publication: Other (see below)

Now that the papers limitations are clearly acknowledged, I think the paper is worthy of publication.

Competing interests:

None declared.
