Reviewer's report

Title: Contact Lens Rehabilitation following Repaired Corneal Perforations

Version: 2 Date: 10 January 2006

Reviewer: Marek Brabec

Reviewer's report:

General
As the authors made the required changes, paper is now ready for publication.

------------------------------------------------------------------------

Major Compulsory Revisions (that the author must respond to before a decision on publication can be reached)

------------------------------------------------------------------------

Minor Essential Revisions (such as missing labels on figures, or the wrong use of a term, which the author can be trusted to correct)

------------------------------------------------------------------------

Discretionary Revisions (which the author can choose to ignore)

------------------------------------------------------------------------

What next?: Accept without revision
