Reviewer's report

Version: 2 Date: 22 February 2007

Reviewer: Rajiv Khandekar

Reviewer's report:

General
I believe the authors have justified reviewer's concern in their revision. You can go ahead with communicating with authors that their revised manuscript is acceptable to this reviewer.

------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------

Major Compulsory Revisions (that the author must respond to before a decision on publication can be reached)

------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------

Minor Essential Revisions (such as missing labels on figures, or the wrong use of a term, which the author can be trusted to correct)

------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------

Discretionary Revisions (which the author can choose to ignore)
