Reviewer's report

Title: Hospital admissions in older people with visual impairment in Britain

Version: 2 Date: 27 May 2008

Reviewer: Gerald McGwin, Jr.

Reviewer's report:

I remain skeptical regarding the relevance of this manuscript. The authors have not made a case as to why the information presented in their manuscript is novel, interesting, or important.

Level of interest: An article of insufficient interest to warrant publication in a scientific/medical journal

Quality of written English: Acceptable

Statistical review: Yes, and I have assessed the statistics in my report.

Declaration of competing interests:

I declare that I have no competing interests.
