Reviewer's report

Title: Copeptin concentration in cord blood in infants with early-onset sepsis, chorioamnionitis and perinatal asphyxia

Version: 2 Date: 14 April 2011

Reviewer: Daniele Trevisanuto

Reviewer's report:

In this new version, my original criticisms have been adequately answered by the authors.

Level of interest: An article of importance in its field

Quality of written English: Acceptable

Statistical review: Yes, but I do not feel adequately qualified to assess the statistics.

Declaration of competing interests:

No to all of the above questions.
