Reviewer's report

Title: Care Seeking for Fatal Illness Episodes in Neonates: A Population-based Study in Rural Bangladesh

Version: 3 Date: 27 June 2011

Reviewer: Peter Winch

Reviewer's report:

No further revisions are recommended. There are a few spelling mistakes e.g. "oner study", so the authors should do a final spell check. The manuscript would also benefit from one final round of editing.

Level of interest: An article of importance in its field

Quality of written English: Acceptable

Statistical review: No, the manuscript does not need to be seen by a statistician.

Declaration of competing interests:
