Reviewer's report

Title: The risk of obesity by assessing infant growth against the UK-WHO charts compared to the UK90 reference: findings from the Born in Bradford birth cohort study

Version: 2 Date: 14 June 2012

Reviewer: Elizabeth Howard

Reviewer's report:

I am satisfied with the revisions and comments that the authors made to the manuscript. I believe this version should be published as is.

Level of interest: An article of importance in its field

Quality of written English: Acceptable

Statistical review: No, the manuscript does not need to be seen by a statistician.

Declaration of competing interests:

I declare that I have no competing interests.
