Reviewer's report

Title: Physical activity and fat mass gain in Mexican school-age children: a cohort study.

Version: 2 Date: 8 February 2012

Reviewer: vanesa españa romero

Reviewer's report:

Major Compulsory Revisions

Level of interest: An article whose findings are important to those with closely related research interests

Quality of written English: Needs some language corrections before being published

Statistical review: Yes, but I do not feel adequately qualified to assess the statistics.

Declaration of competing interests:
