Reviewer's report

Title: Bridging Bronchus - a rare cause of recurrent wheezy bronchitis

Version: 3 Date: 15 May 2012

Reviewer: Enrico Lombardi

Reviewer's report:

The authors have appropriately answered all the questions raised by this reviewer and have changed the text accordingly. However, the second sentence of the last paragraph of the conclusions ("However both, the definition...") needs to be edited.

Level of interest: An article of importance in its field

Quality of written English: Needs some language corrections before being published

Statistical review: No, the manuscript does not need to be seen by a statistician.

Declaration of competing interests:

I declare that I have no competing interests.
