Reviewer’s report

Title: Screening for inborn errors of metabolism in symptomatic children: a three-year study in Zhejiang Province, China

Version: 3 Date: 5 December 2011

Reviewer: Rita Christopher

Reviewer’s report:

The authors have addressed my queries in the revised manuscript but the article still needs editing for English language errors before publication.

Level of interest: An article whose findings are important to those with closely related research interests

Quality of written English: Needs some language corrections before being published

Statistical review: No, the manuscript does not need to be seen by a statistician.

Declaration of competing interests:
