Reviewer's report

Title: The model of palliative care in the perinatal setting: a review of the literature

Version: 3 Date: 7 February 2012

Reviewer: Steven Leuthner

Reviewer's report:

Please clarify if the spelling of centered vs centred – multiple times in the article.

Page 6 1st line – Wisconsin is spelled wrong.

1st line 2nd Para graph – sentence - …that had not “been” initially addressed?

Page 7, 1st disc para – sentence “studies can be “found” no find?

I am fine with the table changes and the figures if the editors are.
