Reviewer’s report

Title: Sense of coherence over time for parents with a child diagnosed with cancer

Version: 2 Date: 10 April 2012

Reviewer: Tobias Edbom

Reviewer’s report:

Dear authors and editor!

The authors have revised their work and it is now in my opinion, ready for publishing

Tobias

Level of interest: An article whose findings are important to those with closely related research interests

Quality of written English: Acceptable

Statistical review: Yes, and I have assessed the statistics in my report.
